

Konstantinos Chatzimichail

Professional Summary

Versatile professional bridging business strategy and media fluency, with hands-on experience across marketing, communications, and business development. Driven by curiosity and ambition, I possess an entrepreneurial and creative mindset that thrives on innovation and strategic thinking. I enjoy taking on messy, open-ended challenges and turning them into measurable results. Currently seeking dynamic opportunities to take on ambitious projects and do work that counts.

A Storyteller at heart, my motto is: *"Learn the rules like a pro so you can break them like an artist."*

Employment History

Content & Growth Strategist / Creative Producer, TaleCrafters , Remote

SEPT 2023 – PRESENT

- Served as first point of contact for an international client base across Europe, owned accounts from initial brief and scoping through to delivery, and led growth projects to completion.
- Produced AI-driven content and multimedia assets (AI-enhanced videos, podcasts, short stories, narratives), integrating AI image, video, and audio tools into client creative pipelines to strengthen brand storytelling.
- Led AI-enabled content and marketing automation initiatives, combining Claude skills and MCPs with Higgsfield, Zapier, and similar tools.
- Designed and built SEO and AI-search-optimised websites for clients in the SaaS and hospitality sectors using Claude Code and Figma.
- Analysed marketing data and conducted market research for clients across SaaS, B2B, Healthtech, Web3, Fintech, and E-commerce to guide strategic planning and revenue processes.

Marketing & Advertising Specialist, Big Blue Data Academy, Remote

JUN 2025 – DEC 2025

Contract

- Devised and implemented the full marketing strategy, then ran it end-to-end across paid media, organic social, and content.
- Owned the full paid media advertising function across Meta and LinkedIn, handling audience building, creative testing, and budget allocation, and cutting ad spend by 60% while lifting engagement rates.
- Built a multi-format social strategy (carousels, videos, images) that grew followers 10% in three months and raised user acquisition by 20%.
- Wrote all marketing copy and produced SEO articles that expanded organic reach and search visibility.

Communications & Marketing Manager, Tensig, Remote

JUN 2023 – MAY 2025

- Ran targeted ABM campaigns using segmentation and personalised content, increasing conversions by 20%.
- Designed and owned the full PR and communications strategy, aligning messaging with corporate goals across web, social, and sales collateral.
- Drove a content programme of webinars and videos that raised brand visibility by 35%.
- Negotiated and secured partnership and sponsorship agreements that opened new market channels.
- Produced brochures, sales materials, and whitepapers that sharpened product positioning and lifted customer acquisition by 15%.

Sales Development Associate, Silent Eight, Remote

OCT 2022 – MAY 2023

- Partnered directly with the VP of Sales for Europe to build and implement the go-to-market strategy for the European market.
- Generated 40% of quarterly sales appointments using Apollo, LinkedIn, and Sales Navigator, and maintained data integrity in Salesforce across a US\$3m annual opportunity pipeline.
- Planned and executed event strategy, securing US\$10–15k in exhibition sponsorships and organising an exclusive networking event for 26 industry leaders, including C-level executives and regulators.
- Coordinated podcasts and webinars reaching 500+ participants.

Technology Associate, TPA Global, Amsterdam

JUL 2021 – SEPT 2022

- Demonstrated technology solutions to potential clients, enhancing product understanding and fostering interest.
- Collaborated closely with the Marketing Manager to coordinate integrated sales and marketing campaigns, driving unified brand messaging and lead generation.
- Conducted research and interviews, crafting clear and compelling copy across various mediums to engage and inform audiences.
- Developed innovative transfer pricing solutions and completed comprehensive transfer pricing documentation, ensuring compliance and strategic financial positioning.
